## Director's Note:

Hello all, and welcome to *Peter Pan the Musical*. This show is extremely special to me and let me tell you why! When I was in the 4th grade, the Waxahachie High School Theatre Director walked into my music class and told us that he needed volunteers to be in his high school production of *Peter Pan* as “little Islanders”. Little did I know that being in *Peter Pan* as a 4th grader would light a fire in me that would burn forever. It is even more special to note that, while *Peter Pan* was my first show I was ever in, it was also my last show I ever did at Waxahachie High School, under the direction of Andy Reynolds—the same director that gave that little 4th grade kid a chance to be on the big stage. And of course, yes, it is just the wildest coincidence that this show is the first musical that I directed here at Lewisville High School. I just can’t escape Neverland! I sincerely hope that you all enjoy this show and I hope you can all escape reality for a moment and remember what it was like to be a child again! Pixie dust isn’t just for kids. So, please enjoy Lewisville High School’s fall musical: *Peter Pan*!
